Currently, 85 counties and 135 County and District Clerks across the State of Texas participate in iDocket.com's online database including Coryell County, McLennan County, Limestone County, and Bell County to name just a few. iDocket.com is adding other counties to its database on a regular basis.

District Clerk Juanita Miller states she is excited to offer this new service to the attorneys who practice in the District Courts of Bosque County and any other individuals and entities that require and can use easy access to this information. This also includes bail bondsmen and of course the general public. Juanita states, "Court information will be easily available and accessed 24 hours a day, 7 days a week. By making this service available, customer service will increase and personal traffic and telephone requests are being reduced saving taxpayer dollars while still protecting personal information."
