County Clerk Teresa Rodriguez joins iDocket.com for display of protected public court case information and images.

Lockhart, Texas – February 27th, 2020—County Clerk Teresa Rodriguez announced today the inclusion of redacted court case images from the County Courts of Caldwell County in an Internet-based web site at www.idocket.com. Teresa County joins a growing consortium of counties to display court information on the Internet. The County Clerk’s office has gone one step further, ensuring that social security numbers are redacted from all documents displayed protecting public confidentiality.

County Clerk Teresa Rodriguez states she is excited to offer this updated service to the attorneys who practice in the County Courts of Caldwell County and any other individuals and entities that require this information. This also includes bail bondsmen and of course the general public. “Court information will be easily available and accessed 24 hours a day, 7 days a week. By making this service available, customer service will increase and personal traffic and telephone requests are being reduced saving taxpayer dollars while still protecting personal information,” states County Clerk Teresa.
