Zapata, Texas – March 30th, 2020—County Clerk Mary Jayne Villarreal-Bonoan announced today the inclusion of redacted court case images from the County Courts of Zapata County in an Internet-based web site at www.idocket.com. Zapata County joins a growing consortium of counties to display court information on the Internet. The County Clerk's office has gone one step further, ensuring that social security numbers are redacted from all documents displayed protecting public confidentiality.

County Clerk Mary Jayne states she is excited to offer this updated service to the attorneys who practice in the County Courts of Zapata County and any other individuals and entities that require this information. This also includes bail bondsmen and of course the general public. "Court information will be easily available and accessed 24 hours a day, 7 days a week. By making this service available, customer service will increase and personal traffic and telephone requests are being reduced saving taxpayer dollars while still protecting personal information," states County Clerk Mary Jayne.
