Kinney County joins a growing consortium of counties to display court information on the Internet. The District and County Clerk's office has gone one step further, ensuring that social security numbers are redacted from all documents displayed protecting public confidentiality.

District and County Clerk Rick Alvarado states he is excited to offer this updated service to the attorneys who practice in the District and County Courts of Kinney County and any other individuals and entities that require this information. This also includes bail bondsmen and of course the general public. "Court information will be easily available and accessed 24 hours a day, 7 days a week. By making this service available, customer service will increase and personal traffic and telephone requests are being reduced saving taxpayer dollars while still protecting personal information," states District and County Clerk Rick.
