Currently, 88 counties and 126 County and District Clerks across the State of Texas participate in iDocket.com's online database including Bandera, Hays, Travis, and Caldwell to name just a few. iDocket.com is adding other counties to its database on a regular basis.

County Clerk Lucy Adame-Clark states she is excited to offer this new service to the attorneys who practice in the County Courts of Bexar County and any other individuals and entities that require information and can use easy access to this information. This also includes bail bondsmen and of course the general public. Lucy states, "Court information will be easily available and accessed 24 hours a day, 7 days a week. By making this service available, customer service will increase and personal traffic and telephone requests are being reduced saving taxpayer dollars while still protecting personal information."
