Amelia Balderrama, President of iDocket.com said "In our attempt to make our service more affordable, we are reducing prices for single practitioner who normally works in a single county. This pricing change fits more in line with our philosophy where the ones who benefit most from our service will be able to afford our service."

* All subscription prices will change including Monthly, Quarterly, and Annual.

Calculating Quarterly Rates; $Q = (\text{Monthly Rate} \times 11) / 4$

Calculating Annual Rate; $A = (\text{Monthly Rate} \times 10)$

*search surcharges will remain unchanged by the price rate change
